

Your chance to have your views heard

From Michael Lane, Police and Crime Commissioner:

During February 2017 I am holding conferences titled *Rural Communities Matter* across the Hampshire Constabulary area. The aim is to give those who live and work in rural communities the opportunity to give their views on rural crime and to help set future rural priorities. These will eventually form part of a new and updated Rural Strategy.

This is a chance for your voices and views to be heard whether you live, work or run a business in rural areas.

The nearest conference to the Candovers is in the Gill Nethercott Centre in Whitchurch, on 23 February 2017. To attend, visit <https://bit.ly/RuralCommunitiesMatter> and book your free ticket.

Many thanks in advance,
Keely
